**Venngage Student Guide**

Step 1: Go to https://venngage.com/https://venngage.com/

Step 2: Register using your email address. You will then be prompted to create a password.

To Create an Infographic

Step 1: Click the Infographic link at the top right corner. There will be an option to then view previously made infographics or "create infographic."

Step 2: Click on"Create Infographic" and select a blank canvas or template to begin.

How to share work on Venngage:

Step 1: If you're ready to share your work privately, click on the 'Share' icon located on the top right corner.

Step 2a: Click on the 'Share Privately' button.

Step 2b: Or if you wish to share to the class, select share to class and your infographic

will be shared to everyone in the class. *[This option is only for students]*

Step 3a: Using the share privately option, you can enter one or more email addresses and click 'Share with User' to send them the email.
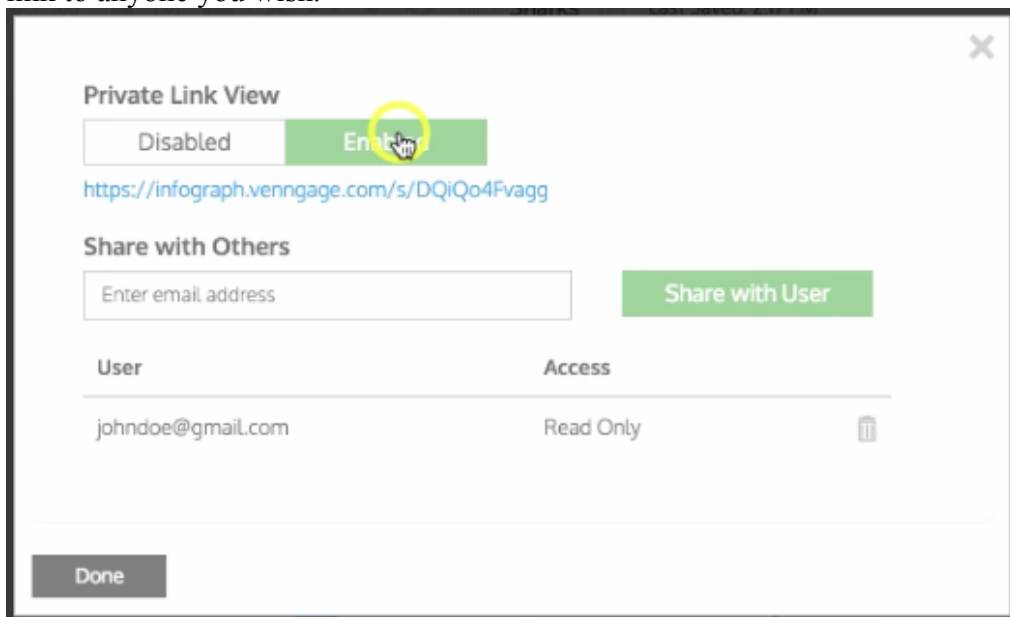

Step 3b: You can also enable the 'Private Link View' where you are free to distribute the link to anyone you wish.

How to Download Infographics from Venngage

Step 1: Go to your infographic and select "edit."

Step 2: Click "download" on the right corner. There will be a dropbox with options to download as a png, pdf, etc. Select the option you prefer and it will download to your computer.
